# HSE 360° SUMMIT

21 - 22 OCTOBER, 2026 | ARCOTEL WIMBERGER WIEN | VIENNA, AUSTRIA

# AT A GLANCE

## EVENT INRODUCTION

This two-day conference brings together HSE leaders, safety professionals, and industry experts to explore how health, safety and environment are being reshaped by digitalization, sustainability, and changing workforce expectations. As organizations face increasing regulatory complexity, technological disruption, and ESG scrutiny, the role of HSE has never been more strategic. Day One focuses on the big picture, examining global trends, AI-driven risk monitoring, automation risks, and the integration of safety with environmental and social responsibility

Participants will explore how predictive technologies and real-time data are transforming risk management, while also addressing the ethical and human challenges that come with rapid innovation. The programme places strong emphasis on preventing serious Injuries and fatalities, strengthening critical controls, and preparing for complex emergency scenarios. Interactive panels and discussions will highlight how the safety profession itself must evolve in a digital world.

Day Two shifts from strategy to practice, offering parallel tracks that dive into culture, leadership, human factors, and high-risk operations. Sessions will examine psychological safety, neurodiversity, incident investigation, and proactive risk management across industries such as energy, construction, and transport. Through case studies, roundtables, and cross-track dialogue, attendees will share lessons, challenge assumptions, and build practical insights. Together, the conference provides a forward-looking, people-centred roadmap for shaping resilient, future-ready HSE systems to 2030 and beyond.

## KEY TOPICS / TAKEAWAYS

- The Future of HSE is Digital, Sustainable and Human-Centred
- Digitalisation and ESG are Redefining Safety
- AI and Data are Shifting HSE from Reactive to Predictive
- New Technologies Introduce New Risks
- Proactive Risk Management Prevents Serious Injuries and Fatalities
- HSE Professionals Must Evolve
- Culture, Leadership and Psychological Safety Drive Performance

| Balancing productivity and safety<br>Speaking up under pressure<br>Leadership responsibility | |
| | - SPEAKER |
| 15:00 | BUSINESS CLUB MEETING |
| 16:00 | INTERACTIVE ROUNDTABLE: AI & AUTOMATION IN SAFETY DECISIONS |
| Role of AI in risk decisions<br>Human vs machine judgement<br>Ethical considerations | |
| | - SPEAKER |
| 16:40 | INTERACTIVE ROUNDTABLE: LEADERSHIP BEHAVIOURS THAT PREVENT SERIOUS INCIDENTS |
| Visible leadership<br>Safety culture maturity<br>Learning organisations | |
| | - SPEAKER |
| 17:20 | CLOSING REMARKS FROM THE CHAIR |

# EVENT SPONSORS 2026

## GOLD SPONSOR

Enhesa

www.enhesa.com

Enhesa is the leading provider of regulatory and sustainability intelligence worldwide. As a trusted partner, we empower the global business community with the insight to act today and prepare for tomorrow to create a more sustainable future, positively impacting our environment, our health, our safety, and our future. Navigating the fast-changing compliance and sustainability landscapes, we help them understand not just what they should do (first), but also how to do it. Both in their unique business and anywhere in the world. Now and in the future.

## GOLD SPONSOR

Intelex

www.intelex.com

Intelex Technologies, ULC is a global leader in environmental, health, safety and quality (EHSQ) managementsoftware. Since 1992, Intelex employees across the globe have been committed to innovating and enabling organizations to send their employees home safely every day, leaving behind a more sustainable world to the generations that follow, and manage quality so that only the safest and highest quality products make it to market. Intelex's scalable, web-based platform and applications have helped clients across all industries improve business performance, mitigate organization-wide risk, and sustained compliance with internationally accepted standards (e.g. ISO 9001, ISO 14001, ISO 45001, and OSHAS 18001) and regulatory requirements. Almost 1,400 customers in 195 countries trust Intelex to power their EHSQ initiatives. Headquartered in Toronto with regional offices and employees around the world, Intelex became an Industrial Scientific company in 2019. In 2020, Intelex acquired ehsAI, a SaaS-based compliance automation solution that leverages artificial intelligence and machine learning algorithms.

# EVENT SPONSORS 2026

## GOLD SPONSOR

Cority

www.cority.com

Cority helps customers see and prevent risks across their operations in real time. Our EHS+ platform converes people, processes, data, and AI agents to provide a clear view of information people can trust, automate workflows that make people more impactful, and deliver personalized insights and expertise to improve decision-making. Cortex AI puts domain-expert intelligence directly into everyday workflows — secure by design, governed by you, and built to scale. While most solutions respond to risks one at a time, Cority helps prevent them across environmental management, employee health, safety, quality, and sustainability. For 40 years, Cority has been the market leader in EHS+, recognized by top analysts and trusted by more than 1,500 of the most complex organizations world-wide. Learn more at our homepage.

## GOLD SPONSOR

Enablon

www.wolterskluwer.com

Enablon, part of Wolters Kluwer's Corporate Performance & ESG division, is the world's leading provider of integrated software solutions for Environment, Health & Safety (EHS), ESG management, and Operational Excellence. Enablon empowers organizations to be more responsible, productive, and safe through innovative technology. Hundreds of industry-leading enterprises and millions of users worldwide rely on Enablon's solutions to minimize risks, improve worker safety, prevent incidents, ensure regulatory compliance, and reduce environmental impact.

# EVENT SPONSORS 2026

## GOLD SPONSOR

SAP

www.sap.com

As a global leader in enterprise applications and business AI, SAP stands at the nexus of business and technology. For over 50 years, organizations have trusted SAP to bring out their best by uniting business-critical operations spanning finance, procurement, HR, supply chain, and customer experience.

## SILVER SPONSOR

Dekra

www.dekra.com

DEKRA's consulting practice is comprised of scientists, technologists, and advisors, experts in both the cultural dynamics of large organisations and the physical challenges of an industrial work environment. With solutions spanning behaviour and leadership, reliability and testing, and data analytics, we offer a uniquely robust approach to safety.

Our specialty is helping clients transform both their organisational culture and their operational environment, empowering them to reduce injuries, save lives, protect assets - and in the process, achieve higher performance.

We make workplaces safer through innovation and expertise, providing industry-best return on investment for a superior client experience.

# EVENT SPONSORS 2026

## BRONZE SPONSOR

Glartek

www.glartek.com

Glartek, a VC-backed company founded in 2017, develops EHS Connected Worker solutions for the industrial sector. Our core mission is to help our customers increase safety, ensure quality, and deliver exceptional opertional performance. We achieve this with Connected Worker technologies, integrating AI, AR, and IoT, providing visibility, and optimization tools, and offering reassurance throughout the work lifecycle: before, during, and after work execution. Glarteks mobile-first, scalable platform supports leading companies in Safety (e.g., risk management and control of work), Quality (e.g., audits and inspections), and Learning and Development (e.g., skills and training management), as well as Sustainability and real-time Communication & Collaboration. Our customer base includes large asset-intensive organizations like EDP and global manufacturers such as International Paper.

## BRONZE SPONSOR

Comet

www.cometanalysis.com

COMET is a global leader in investigation management and root cause analysis software, trusted by organisations across high-risk industries to identify and address the underlying causes of incidents and performance issues. Founded in the heart of Aberdeen and developed by a team with over 400 years of combined investigative experience, COMET brings together advanced technology and a proven methodology to help organisations learn from every event and prevent repeat failures.
Serving safety-critical sectors including energy, construction, maritime, rail, and utilities, COMET empowers companies to enhance safety, efficiency, and compliance through data-driven intelligence and actionable insight.

# EVENT SPONSORS 2026

## BRONZE SPONSOR

Evotix

www.evotix.com

Evotix is a global leader in EHS and sustainability (EHS&S) software, serving over 800 customers worldwide. Our highly configurable platform helps mid-size and enterprise businesses create safer, smarter and more sustainable workplaces. Whether streamlining EHS processes or enhancing ESG reporting, Evotix adapts seamlessly to evolving business needs.

## BRONZE SPONSOR

MANAGEMENT FORCE Group

www.mforsafety.com

Established in 1999, MANAGEMENT FORCE Group is a leading in EHSS services and risk management in Southeast Europe. With a corporate presence in Greece, Albania, Bulgaria, Romania and the United Kingdom, and project experience across more than 25 countries, the Group delivers EHSS consulting under ESG context, world-class professional training and innovative digital technology solutions. Its flagship initiative, the SAFETY GALA, has been organised for 19 consecutive years and is the Southeast Europe's leading International Health & Safety forum under ESG context.
MANAGEMENT FORCE Group is committed to empowering people, creating safer workplaces and shaping a more sustainable future.

# EVENT SPONSORS 2026

## PREMIUM SPONSOR

tec.nicum

www.tecnicum.com

tec.nicum – Solutions & Services GmbH, part of the Schmersal Group, will be present at the HSE360 Summit 2026. As a globally active centre of excellence for machine and occupational safety, tec.nicum provides manufacturer-independent solutions throughout the entire machine lifecycle—from risk assessment, compliance consulting and engineering to system integration, digitalisation, training and turnkey implementation. Supported by an international network of TÜV Rheinland-certified Functional Safety Engineers, Machinery CE Experts and Machine Safety Specialists, tec.nicum helps industrial organisations worldwide achieve safer, compliant and more productive operations - true to its promise: excellence in safety.

## DINNER SPONSOR

MyC

www.myc.doctor

MyC is the global employee health platform for companies operating in high-risk industries. Built by doctors, it holds a single health record per employee: medical teams work in the full record; HSE, HR, and executives act on anonymized trends. Through prevention, employee health stops being a liability to report on and starts driving growth.

# PARTNERS

## EVENT PARTNER
